

2018 Session IN General Assembly March 2, 2018 Bill Tracker

Committee Hearings End

Committee work ended this week and now all bills face second and third readings deadlines next week. This allows time for changes between the House and Senate versions to be worked out in Conference Committees. Senate Leader Long announced Thursday, a proposed work schedule that would end the session as required, March 14 despite rumors in the Statehouse of attempts to end sooner.

Bills on our tracker list that died due to not receiving a hearing in the opposite chamber: HB 1098, HB 1289, SB 20, SB286, SB 361 and SB 417 (marked in red). They will be removed from next week's tracker.

We continue to work on HB 1089 St. Joe River basin commission improvements as it goes to Conference Committee. HB 1227 Noxious weeds is also scheduled for Conference Committee because of amendments added in the Senate. All the others are ready for concurrence or the Governor's Desk.

Please let staff know of your interest in these or any on our list as we go forward.
Here are some key deadlines:
