

# Indiana Association of Soil and Water Conservation Districts 2021 VIRTUAL Conference Supervisor Scholarship Guidelines & Requirements including [Online Application Link](#)

*Instructions and requirements for the application process*

## Requirements:

Scholarships are available for SWCD Supervisors (not Associates) whose District's budget restrictions will not permit them to attend the 2021 annual conference. Depending on available funds, the IASWCD will award scholarships. Only one application per District will be accepted for consideration each year. ***If a supervisor received a scholarship for the 2020 Conference, that same supervisor is not eligible to receive one for the 2021 Conference. Please note, however, that scholarships may be awarded to the same district in consecutive years but not to the same supervisor in consecutive years. (Note: Current IASWCD Board Members are not eligible for this scholarship.)***

Scholarships are non-transferable. The IASWCD ***requires that each District who receives a scholarship have a Delegate in attendance at the Business Meeting on January 12, 2021.***

Scholarship funds will be applied to a full conference registration fee. Scholarships will not cover any additional costs.

Applicants may submit applications ONLINE ONLY. (Please do not mail applications as there is no guarantee these will be received and reviewed by the deadline. The IASWCD office staff is working remotely at this time due to COVID-19.) *Online applications must be submitted online by 5 pm (EST), Monday, December 14.* Scholarship recipients will be notified the week of December 21.

Note: Due to overlapping conference registration deadline dates this year, we recommend that District Supervisors wanting to attend the conference register now (before December 11) to take advantage of the discounted District rate. When you register, please check "invoice" (and not 'pay now') on the registration site. If a scholarship is awarded to a supervisor who is already registered, we can tag the registration as a "scholarship." If a scholarship is not awarded, the district can be invoiced for the supervisor cost or the registration can be cancelled if the district chooses to cancel it.

In order to avoid being billed for the registration fee, scholarship recipients must notify the IASWCD Executive Director by December 31 if they are unable to attend the January 12 business meeting as this is a requirement of the scholarship. For more information on the Conference, please visit the [Conference Website](#).

Summary of requirements:

- Must apply online
- Deadline to submit application is December 14 at 5 pm (EST)
- SWCD Supervisors only (not Associate Supervisors)
- Scholarship recipient must attend the IASWCD Business Meeting online (on 1/12/21)
